

Safety Management System – Non Punitive Policy

Date Issued: July 2016
Effective Date: July 2016
Prepared By: Airport Manager, Accountable Executive

Introduction

This Policy explains the commitment to safety and outlines roles and responsibilities of the Terrace-Kitimat Airport Society staff.

Scope

The Terrace-Kitimat Airport Society (TKAS) is committed to the implementation of a safety management system (SMS) to improve safety at the Northwest Regional Airport Terrace-Kitimat, through pro-active compliance with regulatory requirements, management accountability and employee participation. In keeping with the principles and objective of SMS, the TKAS will not discipline any employee who reports an aviation-related hazard, incident or accident except where the employee's act or omission is criminal, willful or grossly negligent.

Inquiries

Please contact the Airport Management for further clarification of this policy.
